APPLICATION FOR ENTRY TESTING

I have read The Swot Shop brochure or visited the website and understand that:

- The Swot Shop provides extension and enrichment programmes for students with academic potential
- many students who are assessed are not offered enrolment
- the results of the test will be valid for enrolment for the next three months
- this assessment is not relevant for entry to the Selective/Scholarship programme
- students can only sit another assessment after a period of 12 months
- late students or students without a confirmation/receipt cannot be admitted to the examination
- parents will be provided with raw test scores for their child but decisions relating to admission to programmes rest totally with the Principal and Director
- the examination papers cannot be released or shown to parents
- successful students may still be required to spend time on a waiting list until a position on a specific day becomes available.
- applications must be received by us at least five days before the test date and will be processed subject to vacancies.

Please choose the preferred date and time for your child's assessment:

- Sunday 25th September 2011 4:15 pm – 5:45 pm (2011 Grades 2 to 10 to start Term 4)
- Sunday 23rd October 2011 4:15 pm – 5:45 pm (2011 Grades 2 to 10 to start Term 4)

I submit the non-refundable fee of \$30.00 (cash, cheque or credit card) to cover the cost of the assessment.

THE SWOT SHOP PRIVACY POLICY

The Swot Shop will collect, manage, use and disclose personal information only in accordance with all relevant legislation and standards.

- The information provided will never be given or sold to a third party with the exception of details of students competing in competitions organized by The Australian Maths Trust who are furnished with names and birth dates only.
- We will never contact a child's school or disclose any information about a child to the school (unless requested by you).
- Email addresses will not be used to send general information or advertising. If you have submitted a query, or we have had trouble catching you at home on the phone, then the use of email seems efficient and sensible.
